

THE INDIGENOUS SOUL *in Love*

JOURNEY WITHIN: JOIN US FOR A SOUL LOVING RETREAT

“We will be
Soul Loving
with the Island.”

Join us Nov. 4-9th, 2021 in Kauai - **The Knowing Within Kauai Retreat.** This years' theme is *The Indigenous Soul in Love.* The Knowing Within Retreats have a life of their own and as you and others come forth, so much will be revealed. Share with those you love. Bring a friend. **It's time to be in your wholeness of Love 'Si'**

This sacred retreat is for those that want to walk in both worlds at the same time and stay Sane! The very dense physical world and the nonphysical world - They are both with us - we just need to Be Still - and Listen to the Alma Self of Us. And invite ourselves to the Love of the All.

The Knowing Within Kauai Retreat

Nov. 4-9, 2021 Host and Guide: Julia Carmen

Joyful that you all have made the choice to Be on this Journey of Love of Self and That you all heard your Alma. Julia Carmen was born with a gift of a Curandera de Alma (Seer of the Soul). Her gift of being able to see a person's true soul self has guided clients to quiet themselves to hear their own true divine soul self.

The agenda is simple in text but not in the movement we will all be doing. As the island will speak to us in such a specific way, Just for You. So until we (are) all gathered - The island will continue to give us more information.
